

NEW PRODUCT BULLETIN

A.C. DANDY

Super Post Pedestal

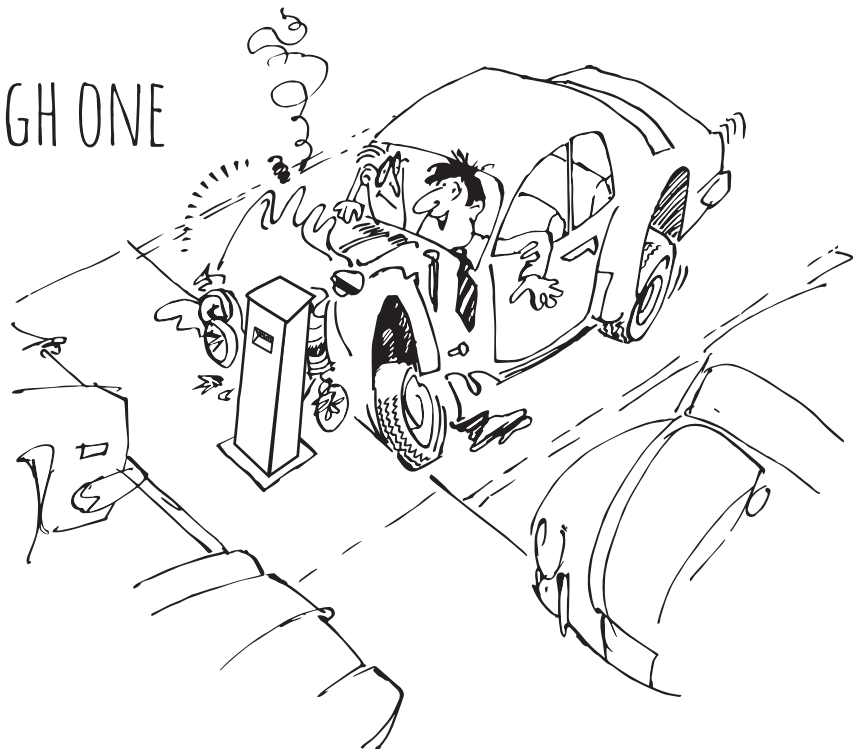

Model #1I-SP-DPP

Designed to be collision resistant and maintenance free. Structural steel body is coated with super durable snakeskin finish, and has a recessed patented Handy Hood receptacle port. Standard 8"x8" plate steel base with 4"x6" body, and fully recessed Handy Hood for new and retrofit installations. Patented Model #DR45-RS inner flush 45° Handy Hood eliminates use of extra duty, troublesome while-in-use cover, and is flush mounted, allowing the receptacle and cover to be out of harms way.

FULL 2 YEAR UNLIMITED GUARANTEE

THE TOUGH ONE

"LOOKS LIKE THE BOSS HAD A.C. DANDY INSTALLED"
